**Minutes of Meeting (MoM)**

**Date:** 10 April 2026
**Time**: 10:48 AM – 11:30 AM
**Meeting Title:** Varkala Coffee Roasters – Design Progress Review

---

**Team:**

- Urmila
- Raj Shekar
- Sai tarun

**Client:**

- Ramya

---

**Agenda:**

- Review homepage design progress
- Discuss UI updates and improvements
- Gather client feedback

---

**Discussion Summary:**

- Sai Tarun completed the **homepage design** and presented it to the client:
    - Navbar header
    - Product page
    - Footer section
    - Header hover interactions
- The client reviewed the design and suggested the following changes:
    - Change colour theme from **olive green** to **moss green**
    - Update background colour from **cream** to **smoky white**
    - Modify header hover effects (background and text styling)
    - Adjust logo colour to match the updated header background
    - Keep the header position **fixed while scrolling (sticky header)**
- The client also requested to continue development of additional pages.

- Urmila and Raj Shekar requested the client to provide:
    - Images
    - Videos

    For further development and content integration.

---

**Decisions Taken:**

- Update colour scheme to moss green and smoky white
- Revise header hover design and typography
- Adjust logo colour to align with header background
- Proceed with development of additional pages

---
