**Minutes of Meeting (MoM)**

**Date:** 15 April 2026
**Time**: 05:07 PM – 05:36 PM
**Meeting Title:** Varkala Coffee Roasters – Design Finalization Discussion

---

**Team:**

- Urmila
- Raj Shekar
- Sai tarun

**Client:**

- Ramya

---

**Agenda:**

- Finalize design elements
- Review UI/UX updates
- Discuss product page requirements

---

**Discussion Summary:**

- The client finalized the **header colour as moss green** with **white text and asked**:
    - Header font should be **calm**
    - Header buttons/menu should appear **behind the "Varkala Coffee Roasters" brand text** (layered/overlay style)
- For the **Product Details Page**, the client requested:
    - Dropdown options for **customization categories**
    - Clear **product description section**
- For the **Products Listing Page**, the client specified
    - **No sidebar filter options** should be included
- Urmila requested the client to share:
    - Images
    - Videos

  for further design and development

- Urmila also asked if the client has any **specific design models or layout ideas for the homepage**, but this was **not finalized** by the client.
- The client shared additional reference websites for inspiration:
  - https://toffeecoffeeroasters.com/
  - https://www.mokkafarms.com/

---

**Decisions Taken:**

- Header colour finalized as moss green with white text
- Clean and minimal font style to be used
- No sidebar filters on product listing page
- Product detail page will include customization dropdowns and descriptions

---
