Minutes of Meeting (MoM)

Date: 23 March 2026
Time: 4:40 PM – 5:12 PM
Meeting Title: Varkala Coffee Roasters Website Design & Requirements Discussion

---

Team:

- Urmila
- Raj Shekar
- Sai tarun

Client:

- Ramya

Agenda:

- Review website references
- Discuss design layout and UI expectations
- Understand functional requirements

Discussion Summary:

- The client shared reference websites for design inspiration:
    - Blue Tokai Coffee
    - Subko Coffee
    - Third Wave Coffee Roasters
    - Toffee Coffee Roasters
- The client requested the website header and logo positioning to be designed based on the provided references.
- It was discussed that the header should include **interactive dropdown menus** that display related content when the user hovers over the cursor.
- Client logo shared.
- The client suggested a **colour palette** focused on:
    - Olive green
    - White / Cream / Heavy cream backgrounds
- The client confirmed that she will provide **relevant images and videos** for the website.

- Functional requirements discussed:
    - User account/login system
    - Payment gateway integration
- Raj Shekar highlighted that implementing a user account system requires **database maintenance**. He suggested:
    - Periodic deletion of inactive user data (e.g., after 1–6 months)
    - This helps maintain a clean database with minimal maintenance
- Urmila provided additional suggestions regarding:
    - Colour combinations
    - Design improvements
    - General UI/UX ideas for better presentation
- Sai Tarun confirmed understanding of all requirements and agreed to proceed with implementation based on the client's references and inputs.

Decisions Taken:

- Website design will follow the shared reference styles
- Header will include hover-based dropdown interactions
- Colour theme will be based on olive green and cream tones
- Client will provide media assets (images/videos)
- User account and payment features will be included
